

QUALITY POLICY

DECOPAK EUROP, S.L. is an organization that is compromised to its main stakeholders: employees, customers and suppliers.

Their well-being and satisfaction is the principal aim of the company and is the driving force of its policies and strategic management.

In the same manner, fulfilment of applicable requirements is essential for stable growth and compromise.

Likewise, the quality objectives will always be established in order to assure compliance with requirements and the satisfaction of our stakeholders.

Placed in a dynamic, volatile and changeable sector, this approach is the way to build a solid and stable business structure, strengthening confidence, improving communication and increasing its effectiveness in order to achieve a higher competitiveness of all its products and services.

DECOPAK EUROP, S.L. establishes its Quality Policy following these inalienable principles and **commits** to maintain its stakeholders:

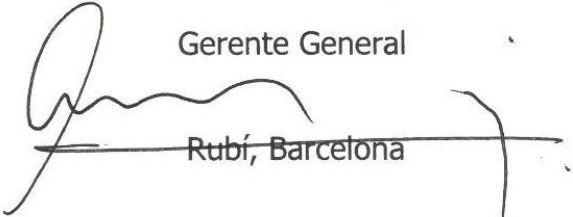

- ***Informed:*** The organisation understands that correct communication allows better efficiency of managements and contributes to a balanced atmosphere of relationships.
- ***Provided:*** In order to achieve any goal, the company must have necessary resources available.

Management and all organizational levels are committed to work daily so that people comprise the context of the company feel and get involved.

Management will always show leadership in quality management, which is considered strategic for good global performance and is a useful tool for the continuous improvement of the system.
